TOURNAMENT UPDATE

PGTC is pleased to announce the inaugural **MARTINI PGTC OPEN TOURNAMENT and BACARDI SENIORS CUP**. The tournament is scheduled to run from **September 2nd through 9th**. This is a '2 in 1' event in that we have the **MARTINI PGTC OPEN TOURNAMENT** which is a BLTA sanctioned event as well as the unsanctioned **BACARDI SENIORS CUP**, both to run concurrently.

Sponsor **MARTINI** is hosting a **WELCOME RECEPTION/HAPPY HOUR/SOCIAL EVENT** for all tournament entrants, family, friends and guests as well as PGTC members, family, friends and guests on Friday, **September 1st, from 5:30 pm**. In addition, David Thomas will be organizing an exhibition doubles match during the reception involving some of Bermuda's top players.

MARTINI and PGTC are also sponsoring a mid-week cocktail party and BBQ on September 6th, again for tournament entrants and guests as well as PGTC members and guests. The tournament will officially end with a third **MARTINI** sponsored cocktail party/social event

and prize giving immediately following the last scheduled match on Saturday, **September 9th**.

Both **MARTINI** and PGTC have been working diligently to ensure a successful tournament. The Club is asking all members to **please get involved either by participating, volunteering or simply coming to the club** with family and friends to support the tournament and watch some entertaining tennis.

It is no secret that tournament participation has suffered over the past several years, so we are asking our members to please make a point of supporting the club and this tournament in whatever way that you can.
