DECEMBER, 2021

Although PGTC and its members are unable to celebrate Christmas in the traditional members party, we are pleased that we were able to get a 'live' tree and that the clubhouse has been decorated. Our thanks to Holly Richardson and Bianca Doyon for lending their talented skills in making the clubhouse look festive.

COVID REMINDER - returning members who are fully vaccinated are reminded that they should not book to play until they receive at least their day one negative test result. Members are asked to comply with the club's requirements.

The club recently purchased a bleacher for additional seating between court 2 and center court. The bleacher is expected to be assembled in the next couple of weeks.

We have also placed an order for another 10-foot canopy to sit alongside court two. We can expect to see the new canopy in approximately two months.

We have recently completed repair to the fencing along the northern end of courts one and two. In the new year we shall be addressing remaining fencing in need of repair.
