For the INDIVIDUAL ladder contact Donna Heslop: dheslop@transact.bm or 536-6706.

For the TEAM ladder contact Bill Bucci: webucci@gmail.com or 538-0650.

Please advise Donna and Bill if you wish to WITHDRAW from or ENTER either of these ladders. If we don't hear from you, everyone who was signed up in the final ladder session of 2022 will remain and their position on the new ladder will be based on their finishing position from 2022.

The formats will be essentially the same as in 2022. The TEAM ladder may be played with either Mixed, Ladies or Men's teams. Matches are best 2 out of 3 games played to 11 (1 point difference).

We hope to be able to use the DUPR system for the ladder this year. DUPR would enable players to be rated. More information on this will be forthcoming.

NEW COURT BOOKING SYSTEM:

If you are not already signed into Court Reserve, please contact Liana on pgtc@northrock.bm.

EMAIL NOTIFICATIONS FROM COURT RESERVE:

The new system will send out an email for just about everything you do – but you can control this. De-select the notifications you do **NOT** want to receive in the Notifications tab found here:

Cell phone APP – click on MORE in the bottom right hand corner of the screen, then Personal Information, then Notifications near the top.

Laptop/Computer – click on your name in the top right hand corner of the screen, then Personal Information, then Notifications near the top.

WAITLISTS FOR OPEN PLAY EVENTS:

A very cool feature in the new booking system is the automatic feed-in from the waitlist for open play events. As a spot opens up, the first person on the waitlist is automatically – and immediately – moved into that open spot. This happens almost right up until the session starts. So if your plans change, you must remember to take your name OFF the waitlist!

All the best for 2023!
